🤲 Social Contribution

Abhyudaya
Std 10 Tutor & Mentor
Aug 2018 – present
Abhyudaya is a mentorship programme for underprivileged children from neighbouring schools.

🎓 Certificates

Star Python Certification ↗
2020 – 2023
I have successfully passed the Star Python certification exam with 87%.

Angular 6 & Firebase, Data Analytics using R ↗
Suven Consultants & Technology Pvt Ltd

💼 Work Experience

Credit Suisse
Technical Analyst Intern
May 2020 – Jul 2020
- Design an Online Quiz portal using ReactJs & Redux.
- Create database schema using MySQL.
- Develop RESTful services to handle requests through Micronaut framework.

Eatabl ↗
Angular Developer
Jun 2019 – Aug 2019
- Designed a website for a food tech startup 'Eatabl' using Angular 6 and backend using Firebase
- Design simple webpage for restaurants
- Provide functionalities for each order status

📑 Publications

Unsupervised WhatsApp Fake News Detection using Semantic Search ↗
IEEE Xplore
Jun 2020
- The paper leverages the power of NLP and Transfer learning to detect fake news disseminated on WhatsApp.

🗂 Projects

Path Finding in Maze ↗
The project compares the time taken by two algorithms to find a path between the source and destination : A-star & Breadth First Search.
Roles :
- Implement the two Algorithms (A-star & BFS)
- Compare both algorithms on the basis of blocks searched

Online Auction System ↗
The project allows users to sell and buy any type of product in real-time. It is done using Angular 6, NodeJs & MySQL.
Roles :
- Database Schema and queries
- Design AuctionAdmin component using Sockets in NodeJs
- Design Products component

Google Play Store App Launch Study ↗
The project analyzes the insights provided by the client using data visualization in Python and GUI in Tkinter.
Roles:
- Provide insights using libraries matplotlib & seaborn.
- Login and Register clients with form validations.
- Design GUI in Tkinter Canvas.

🎖 Awards

Winner of Hackit 2.0 ↗
Feb 2020
- We bagged the third prize out of 60 teams in the hackathon conducted at the KJSCE college.

Moot Court Competition
2019
- Our team came second in the moot court competition held among second year students.
